

ٹپو سلطان

Tipu Sultan was the ruler of the Kingdom of Mysore from 1782 to 1799, a scholar, soldier and poet. He was the most powerful of the native Princes of India.

Tipu Sultan was hunting in the forest when he came face to face with a tiger, his gun did not work and his dagger fell on the ground as the tiger jumped on him. He reached for the dagger, picked it up and killed the tiger with it. This then earned him the name 'the Tiger of Mysore' .

Tipu Sultan was a descendant from the Mughal Emperors of the North and it is from this region we take the inspiration for our menu. Enjoy the majestic dining experience worthy of an emperor at your table.
