

Tipu Sultan was the ruler of the Kingdom of Mysore from 1782 to 1799, a scholar, soldier and poet. He was the most powerful of the native Princes of India.

Tipu Sultan was hunting in the forest when he came face to face with a tiger, his gun did not work and his dagger fell on the ground as the tiger jumped on him. He reached for the dagger, picked it up and killed the tiger with it. This then earned him the name ‘the Tiger of Mysore’ .

Tipu Sultan was a descendant from the Mughal Emperors of the North and it is from this region we take the inspiration for our menu. Enjoy the majestic dining experience worthy of an emperor at your table.

Following government guidelines we endeavour to provide a safe dining environment and would ask you to comply with social distancing measures of a minimum of 1 metre with other dining guests.

We wish you a joyful and safe dining experience. If you require any further clarification or guidance please do not hesitate to seek advise from one of restaurant representatives.
